Dear Parents and Carers

As you will be aware, the national picture regarding the impact of Covid-19 is constantly changing. We have put systems in place to ensure that pupils, who cannot attend school due to Covid related issues, can have access and are able to continue with their learning.

1. If individual pupils are required to self-isolate, they can continue with their studies by accessing the Remote Home Learning tab found in the pupil section of the website. Pupils will be sent the password to this site. As far as possible, the work set will mirror that being completed in school. Work is issued half termly and pupils can access the relevant weeks for when they are absent. Pupils should complete the work as directed and bring it into school on their return for teacher feedback.
2. If the school is closed to a group of pupils, work will be set through the Remote Learning tab. If the school is closed to a 'Bubble' or to all students, work will be set through Microsoft Teams or Satchel:one. Please visit our website homepage Covid-19 Updates to access the BHA Remote Home Learning Contingency document.

Thank you for your continued support and understanding as we try to maintain learning for all our pupils during the current challenges we face.

Kind regards.

Mrs M E Jessop
