### Planners

You will be given a planner on your first day. Each day you are expected to write down any homework you are set and when it must be handed in. You can also record your reading and any messages to your parents. Parents can also use planners to send messages to teachers, check your homework and see how many house points you have. Prizes are awarded for the best kept planners!

### Timetable

Your form tutor will give you a timetable on your first day. You will also receive a small copy to go in your blazer pocket. It will show you what lessons you have each day, which teachers you have and which rooms your lessons are in.

### Equipment you will need

Pencil case with ruler, rubber, pencils, handwriting pens, colouring pencils, rubber, glue stick, reading book.

PE kit (see our school website for details).

Snack for break or a little money (20p), water bottle, packed lunch or be ready for the canteen with Parent Pay paid meals.

## **CHALLENGE!**

Over the next few months, we will be setting some fun challenges for you to complete. Keep looking at our website.

Your first challenge allows you to be as creative and as imaginative as you want. The task is to teach us a little about you. We want to learn two or three things about you and you can do this in any way you wish.

Some examples are: a picture, painting, slide show, video, song, sculpture, dance or news report. If you do not do this on a computer, you can take a picture or video. When we are back at school, please bring it and we will display these in school.

Please email your challenge to:
