

Bredon Hill Academy Covid Home School Arrangements September 2020 -2021

The School will:

- Provide an environment that has been risk assessed and considered safe for re-opening
- Adhere to the social distancing guidelines as set out by the government, as much as we reasonably can.
- Support your child's wellbeing, such as by giving them someone to talk to if they feel anxious or overwhelmed.
- Contact you if your child displays symptoms of COVID-19 so they can be taken home, tested and self-isolate.
- Follow PHE and LORT (Local Outreach Response Team) directives should a pupil or member of staff test positive.
- Enhance our hygiene measures, including more frequent cleaning and hand washing.
- Communicate between home and school via emails and the school website, as required.
- Make alternative arrangements for remote learning if required.
- Continue to apply our Behaviour for Learning Policy.
- Continue to provide a curriculum which meets your child's well-being, mental health and academic needs.

Pupils should:

- Arrive at school no earlier than the designated time.
- Head to your designated 'bubble' area before school.
- Follow instructions on who you can socialise with at school – remain within the year group 'bubble' and not mix with anyone from another year group 'bubble'.
- Move around the school as per specific instructions (for example, Y6 and Y7 use designated stairs).
- Follow school instructions on hygiene, such as handwashing and sanitising.
- Ensure safe social distancing is practised – avoid all contact wherever possible, walk calmly and avoid face to face interaction.
- Follow guidance around sneezing, coughing. Avoid touching your mouth, nose and eyes with hands.
- Tell an adult if you are feeling unwell.
- Do not share any equipment or other items, including drinking bottles.
- Bring only what you need for the day's lessons.
- Follow instructions for social times and lunchtime.
- Ensure correct uniform is worn.
- Wear PE kit on PE days, including dark joggers to and from school.

Parents should:

- Monitor your child's health and keep your child at home if they or anyone in your household display symptoms of COVID-19 (i.e. a high temperature, a new continuous cough, or a loss or change to their sense of smell / taste.)
- Inform the school immediately if your child develops symptoms and do not send them to school.
- If your child has symptoms make arrangements to have them tested, and where possible, work with the NHS track and trace system.
- Provide face coverings for children travelling by bus.
- Leave the school vicinity immediately after drop off / pick up.
- Adhere to the drop off and pick up times outlined in the information letter.
- Not enter the school building without a prearranged appointment.
- Provide your child with a pencil case, stationery and water, to avoid the need for shared resources.
- Make sure your child brings only what is needed for lessons each day.
- Remind your child about safe hygiene.
