

## School Council Minutes – 11/10/2023

Thank you to all those forms who sent a representative

### Item 1

Ideas for future clubs: Fortnite club, table tennis club, chess club (coming later in year), tennis club (coming in summer term), anime club (7C idea – discussed with JB beforehand), badminton club, drama club, languages club

### Item 2

Use of outdoor space – more opportunities taken in lessons to make use of the outdoor space we have (e.g playground, garden, etc)

Forms to be able to bring own plants to add to form gardens (already happens as far as I'm aware)

More games painted on playground (e.g hopscotch) to use at lunchtimes

Lines painted to aid lining up for each form

More footballs for lunchtimes

More picnic benches on playground for eating lunches

Planters on playground – maintained by gardeners

### Item 3

Extra-curricular opportunities

Non-uniform days (maybe each half term) could be linked with special events/charity fundraising

House competitions – like the quizzes but with different activities (e.g. rubiks cube challenge)

Activity Day – alternative curriculum for the day (e.g. International Day)

School disco – maybe at Christmas

Some kind of show at end of year

School trips – more opportunities to go on trips linked to curriculum (e.g watching something linked to reading in English)

### Item 4

Canteen – further options at break (e.g. pain au chocolat)

Start hot chocolate rather than slushies in autumn term

Wedges & chips as options on Friday

Have International food days (as we have in the past) – e.g Mexican

Wider variety of paninis

Choice of white/brown bread – we discussed limitations on canteen and health/nutrition considerations
