

Bredon Hill Academy
— LEARNING TOGETHER FOR SUCCESS —

Bredon Hill Academy Remote Learning

Subject: science - chemistry

Week Beginning	Area of Study	Resources
6/6/22	Reactivity series	https://classroom.thenational.academy/lessons/reactivity-series-c8t3gd
13/6/22	Displacement reactions	https://classroom.thenational.academy/lessons/displacement-71j36r
20/6/22	Balancing equations – building on skills that have been used in class.	https://classroom.thenational.academy/lessons/symbol-equations-6xh64e
27/6/22	Gaining metals from metal ores.	https://classroom.thenational.academy/lessons/metal-ores-60tp4t
4/7/22	Reduction, oxidation and rusting	Includes additional reactions – worksheet 3 goes along with this lesson. https://stemlearning.wistia.com/medias/v24zqy9zs2
11/7/22	Endothermic and exothermic reactions	https://classroom.thenational.academy/lessons/exothermic-and-endothermic-reactions-cgr38e
18/7/22		

Bredon Hill Academy
— LEARNING TOGETHER FOR SUCCESS —

Bredon Hill Academy Remote Learning

Last day of Term 20th July.
