

INFORMATION SUBMITTED BY CANDIDATES

Mrs V Atkins

I am a parent of a Year 6 student who has just moved to Bredon Hill Academy. I have supported my children at Primary school and now feel able to commit to becoming a parent governor.

As an experienced H.R. professional, I have worked in a variety of different sectors and currently work in the Education sector supporting Head Teachers with staffing issues, including safeguarding matters and teacher performance. I have a good understanding of the Ofsted inspection process and the DfE guidance on Keeping Children Safe in Education. I am a fully trained mediator focusing on Children and Family issues.

As I have extensive experience of H.R., I feel that my skills would be of value to the school governing body. I am also an active volunteer with Bredon Rugby Club which my son attends.

Mr A Bailey

I currently have two children, Adam who attends BHA, and Matthew who will join next year. I have previously chaired a primary school governing body and would like to use my experience to help and support the children, parents, staff and governors at Bredon Hill Academy.

Professionally, I have I.T. and project management expertise and believe I can make a difference to the experience our children get at school.

Mrs R Slater

I am a mother of four, two of which attend BHA in Year 6 and 8. The other two have finished their education. I am friendly and approachable. I am driven by a desire to get the best for all pupils and their families. I will always support the school leadership where I am confident that the best is being provided; however, if I am in doubt, I will not hesitate to question, challenge and raise any issue.
