$$+ \text{fox} + \text{fox} = 48$$

So what is...

A fox icon multiplied by a tiger icon, plus a tiger icon multiplied by a cow icon, equals

How Old Am I?

On my last birthday, a friend said to me:

“In 15 years’ time, your age will be the square of your age 15 years ago!”

Can you work out how old I am?

There are three boxes. One box contains pears, one box contains oranges, one box contains pears and oranges.

The labels have fallen off and been stuck back on the WRONG boxes. Barry opens one of the boxes and (without looking in the box) takes out a piece of fruit.

He looks at the piece of fruit in his hand and is immediately able to put the labels back on the correct boxes.

How did he do it?
