28<sup>th</sup> April 2017

Dear Parents/Carers

I hope that you and your child/children had a relaxing Easter break and that they are re-energised for the demands of the summer term.

May I thank all parents who responded to our parent survey and am I delighted to share this with you on our school website. It is incredibly positive and reinforces the partnership that we have with so many of you. This is not to say that there are not areas for the future development of the Academy that we cannot work upon.

To this effect, I would wish to respond to any parent who expressed any concern in the comments box of the survey but who did not leave a contact name, telephone number or email. If this were the case, would you please contact the school office via email ([office@bredon.worcs.sch.uk](mailto:office@bredon.worcs.sch.uk)), drawing the matter to our attention and I will respond and, where possible, address the issue.

Bredon Hill continues to be popular and over-subscribed. We have a lengthy waiting list of parents wishing their children to be enrolled at the school and I believe that this shows a great confidence in the Academy.

In the future, it is clear that the government/DfE will expect the school to become a Multi Academy Trust (MAT) in its true sense i.e. looking to bring partner schools into the Hill Trust to work collaboratively through outstanding school-to-school support. We are currently working closely with two local First Schools and would welcome interest from others. The Directors have a vision for the MAT to be no more than six schools within the next five years.

Should any parent wish to seek further information on this proposed growth I am willing to field any calls or respond to emails regarding this matter.

Can I thank you once again for your ongoing support and for playing your part in ensuring that Bredon continues to be a vibrant and highly productive learning community.

Yours faithfully

Mr S W Charlton  
Headteacher

*Part of the Hill Trust*
