# Uniform

Our school uniform standards are high. We encourage our pupils to focus on being dressed for learning and work. Consequently, the emphasis is on being clean, smart and tidy. Trousers and skirts must be worn appropriately on the waist, shirts must be tucked into trousers or skirts and ties worn correctly.

Hair must be tied back at all times. Pupils may not have extreme hair styles such as shaven or spiky styles. There must be no obvious hair dyeing or excessive use of gel or wax. Hair wear should be discreet and not fashion accessories.

No visible jewellery should be worn except where pupils wish to wear one simple gold/silver stud in each ear. Facial piercings are not allowed. Pupils must not wear bracelets or hand jewellery.

The school cannot accept responsibility for items lost or damaged.

# Home/School Communication

- Bredon Hill Academy use the My Child At School (MCAS) app for communicating key information with parents and carers.

- We will send you your own log-in details in September.

- The software is available to access through your phone's app store or online on a laptop/tablet/desktop device.

- It is essential MCAS is checked by parents and carers regularly as you can use MCAS to find up to date information on your child's timetable, home learning, rewards, sanctions and any communication home. You can also use it to communicate with the school and check permission settings e.g. for photographic consent.

- Termly reports linked to your child's academic progress will be sent through MCAS too. We do not send paper reports home.

- Your child will have their own log-in to a Student Portal, which will provide the same information for them to access. Similarly, the Student Portal is accessible through a phone app or the internet.

**Student Portal**

# Homework - Bromcom
