

Early Help for Children and Families at Bredon Hill Academy

Providing early help to our pupils and families at Bredon Hill Academy means we are more effective in promoting support as soon as we can. Early help means providing support as soon as a problem emerges, at any point in a child's life, from the foundation years through to teenage years.

At Bredon Hill Academy, our Pastoral and Safeguarding team meet once a fortnight to discuss any concerns. This team includes:

Miss West – Acting Head teacher – Deputy Safeguarding Lead

Mrs Jessop – Acting Deputy Head teacher- Attendance

Mrs Dunkley – Acting Assistant Head teacher and Year 8 Leader– Designated Safeguarding Lead (DSL)

Mr Timpson – Acting Assistant Head teacher and SENCo – Deputy Safeguarding Lead

Mrs Matthews – Year 6 Leader

Mr Haines – Year 7 Leader

At these meetings we discuss:

How the child presents	Behaviour	Attitudes to learning
Friendships	Family issues	Additional needs
Any support they receive	General progress	Other agencies involved

This allows us to identify any pupils and families that would benefit from early help and allows us to help them access the services in the school and beyond the school.

PREVENT TRAINING – Radicalisation.

ALL STAFF have received PREVENT training and are trained on how to identify the early stages of radicalisation and what to do. We follow the mantra;

NOTICE

CHECK

SHARE

Child Sexual Exploitation

All staff at Bredon Hill Academy have been trained to identify early cases of child sexual exploitation. At school we use the CSE Screening tool if we have concerns.

Female Genital Mutilation

All staff have received training on FGM. Teachers know how to identify if a child may be at risk. They know the signs to look for and most importantly how to refer, following the school's safeguarding procedures.

At Bredon Hill Academy we meet the needs of our children through a variety of ways:

PUPIL VOICE

Pupils are actively encouraged to speak about any concerns they have to a member of staff or to our pastoral team. In lessons children are taught to speak openly about their emotions. Pupils know the staff take all their concerns very seriously.

- Children's questionnaires ascertain if they feel happy and safe
- E-safety assembly delivered to all pupils
- E-safety presentation offered to parents
- Our local PCSO conducts assemblies for E-Safety, SEXTING and other relevant topics
- Our school council, made up of all year groups, meet every term to share their views.
- Staff CPD focusses on pupil self-esteem regularly.
- Senior Leadership Team presence during unstructured times such as break and lunchtimes.

ATTENDANCE

The Acting Deputy Head Teacher is the lead on attendance. She monitors this weekly with the help of our Educational Welfare Officer. They follow our attendance policy to support pupils and families with attendance below 95%. The aim is to offer help and solutions to any problems. Attendance of potential persistent absentee (PA) students is promoted through Attendance Leagues and Attendance Club.

The school operates a first day response system.

SAFEGUARDING

- All teachers and staff know precisely how to identify and report concerns, via staff training on induction and our regular updates on safeguarding.
- Child protection files are kept by the DSL.
- ATTENDANCE team follow missing from education guidance.
- All new staff complete safeguarding inductions.
- We have a designated teacher for 'Looked after Children' (LAC).

All staff sign to indicate they have read Keeping Children Safe in Education (Sep 2018) and our Safeguarding Policy

BEHAVIOUR FOR LEARNING AT BREDON HILL ACADEMY

The school encourages and rewards pupils for good behaviour and being good learners through a traditional House Point System.

Each student is placed in a 'House' when they begin Bredon Hill Academy. House points are awarded for all sorts of positive behaviour. The house points are totalled up and announced monthly in assembly.

Pastoral Support

The Safeguarding Team work with pupils and families to support their needs whilst also signposting them to relevant agencies. With families consent, we can refer families for Early Family Support.

The Pastoral Team consists of DSL's, Year Leaders and members of the SLT.

SENCO (Special Educational Needs Co-ordinator)

Our SENCO works with children and families with additional needs and can signpost parents to many different agencies.

Designated Safeguarding Lead (DSL)

The DSL ensures rigorous and robust systems are in place within the school to ensure the safety of all of our children.

In **Keeping Children Safe in Education 2018** it makes it clear that ALL staff should be aware of their local early help process and understand their role in it. In addition this statutory document makes it clear that any child may benefit from early help, but all school and college staff should be particularly alert to the potential need for early help for a child who:

- Is disabled and has specific additional needs;
- Has special educational needs (whether or not they have a statutory education, health care plan);
- Is a young carer;
- Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- Is frequently missing/goes missing from care or from home;
- Is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;
- Is in a family circumstance present challenges for the child; such as substance

abuse, adult mental health problems or domestic abuse;

- Has returned home to their family from care;
- Is showing early signs of abuse and/or neglect;
- Is at risk of being radicalised or exploited;
- Is a privately fostered child.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school or PRU.

The coordinated **Bredon Hill Academy offer of Early Help** is outlined in the table below. We believe that early interventions for children or families, in many cases, will prevent children from experiencing harm.

Bredon Hill Academy will refer to appropriate agencies when help is required to support children, young people or families or to prevent harm.

All Bredon Hill Academy staff must be aware of the 'BHA offer of early help'. At all times all staff should consider if there is any offer of early help that we can make in order to help a child thrive.

We also liaise with other agencies and people within the local community and in the table below are some National organisations that can support Children, Young people and their Families

The levels of need Pyramid is outlined below. Our offer of Early Help reflects the Families level of need.

Bredon Hill Academy's model of 'Early Help'

Level 1	The child or family are coping with life. No extra support is required although in school interventions might be offered. This may be through regular meetings with the DSL, Year Leaders, Form Tutors or with our Designated Welfare Teaching Assistant.
Level 2	Early Intervention Family Support may be offered. This is a referral that is made online with the consent of the family. Once a referral has been made the family will be notified of the outcome (Level 2 or 3). If successful at Level 2, an EIFSW (Early Intervention Family Support Worker) will contact home and school, offered a plan of support.
Level 3	Targeted Family Support may be offered. The referral process is the same as Level 2. If the decision is made to escalate the families need to Level 3 then Targeted Family Support will get in touch with the family.
Level 4	A referral to Children's Social Care through the 'Family Front Door'. Once a referral is made, Social Services assess the case and decide on the best course of action.
The Front Door to Children's Services (Previously: Children's Helpdesk).	If a member of staff, parent/carer or member of the public thinks a child or young person is at immediate risk of significant harm they should contact the Family Front Door (FFD) – 01905 822 666 or in an emergency always call 999. Do not wait to discuss this with the DSL/DDSL but do report it afterwards.

<p>Home-school support Worcestershire Home Education Network</p>	<p>Home education is becoming an increasingly popular option for families in Worcestershire and we have a growing community that are able to offer each other support. Between us we have years of experience in educating children of all ages and are able to organise and put on a range of activities.</p> <p>We hold meetings usually at least weekly, throughout term time at various locations round the county-for example:</p> <ul style="list-style-type: none"> - <i>Social gatherings occur monthly in North Worcestershire for all ages, with both indoor and outdoor games plus organised activities such as climbing/zip-wires/grass sledging for 8+.</i> - <i>Monthly meeting in Worcester with games, music and crafts for all ages.</i> - <i>Monthly social meeting in south Worcestershire, including indoor and outdoor games, group music session and a drama group.</i> - <i>Bowling or Ice skating most months.</i> - <i>"Education group" workshops organised regularly. Recent workshops have included: Marvellous Mosaics' 'Gunpowder plot' 'Medieval life', 'Making Music' and 'Creative Writing.</i> <p>We also meet up with people from neighbouring counties and many of us go along to the national camps and gatherings that are organised by home educators throughout the year.</p>

	<p>We have a Worcestershire Home Educators Newsletter (WHEN) that lists all of the activities for the coming month and run a Worcestershire Home Educators Internet support list.</p> <p>Contact us on: info@worcestershire-home-educators.co.uk</p>
E-safety (Online Safety)	<p>Online Activity (phones, computers) can be a serious risk to children: The use of technology has become a significant component of many safeguarding issues. Child sexual exploitation; radicalisation; sexual predation – technology often provides the platform that facilitates harm. <p>Bullying (including cyberbullying)/ Child death/suicide/prevention</p>	<p>Cyberbullying is using the internet, email, online games or any digital technology to threaten, tease, upset or humiliate someone else.</p> <p>If the police consider a message or post to be potentially criminal, they will take appropriate action. This could involve arresting the person responsible or interviewing them under caution. Cases involving sustained abuse or where someone’s life is threatened will be treated seriously. The police will consider all of the circumstances when considering the best response to a report of cyber bullying. They will assess how vulnerable the victim is and what resources are required to trace the offender via social networking sites that often operate abroad and to different legislation. In certain cases it may be difficult to take action if the offender isn’t in the UK. They will work with the victim to bring about the most suitable and proportionate conclusion, this will include alternative options that include the officer in the case using their discretion and working with the offender to record an apology to the victim.</p>

The CwD team offer services to those children and young people requiring additional resources in respect of their disability, where the disability has a profound impact on the child or young person's life.

An assessment will be offered where the child has a condition which is substantial, long lasting or permanent, is a physical and/or learning disability or a life limiting, life threatening condition. These may include:

- severe learning disabilities
- severe physical disabilities
- severe developmental delay in motor and or cognitive functioning
- profound multiple disabilities
- severe sensory impairment (registered blind and/or profoundly deaf)
- complex and severe health problems that arise from the disability, that are life threatening, degenerative illness or organic disorder resulting in severe disability
- a diagnosis of Autistic Spectrum Condition with an associated learning disability and where the condition severely affects day to day functioning

Honour based violence (HBV)	<p>Honour' based violence (HBV) occurs when perpetrators believe a relative or other individual has shamed or damaged a family's or community's 'honour' or reputation (known in some communities as izzat), and that the only way to redeem the damaged 'honour' is to punish and/or kill the individual. 'Honour' based violence is a term that is widely used to describe this sort of abuse however it is often referred to as so called 'honour' based violence because the concept of 'honour' is used by perpetrators to make excuses for their abuse. There is a very strong link between 'honour' based violence, forced marriage and domestic abuse. The term 'Honour Based Violence' is the internationally recognised term describing cultural justifications for violence and abuse. Honour Based Violence cuts across all cultures and communities: Turkish, Kurdish, Afghani, South Asian, African, Middle Eastern, South and Eastern European for example. This is not an exhaustive list. Where a culture is heavily male dominated, HBV may exist. <p>Children Missing in Education (CME)</p>	<p>Children Missing Education (CME) refers to 'any child of compulsory school age who is not registered at any formally approved education activity eg school, alternative provision, elective home education, and has been out of education provision for at least 4 weeks'. CME also includes those children who are missing (family whereabouts unknown), and are usually children who are registered on a school roll / alternative provision. This might be a child who is not at their last known address and either has not taken up an allocated school place as expected, or has 10 or more days of continuous absence from school without explanation, or left school suddenly and the destination is unknown.</p> <p>This is the link for Children Missing Education on the Worcestershire website http://www.worcestershire.gov.uk/info/20595/behaviour_and_attendance/293/children_missing_education</p> <p>Babcock Prime – Educational Welfare Team: Primeedinvservice@babcockinternational.com 01905 678138</p>
<p>Missing Children and Adults Strategy (vulnerable children and adults)</p>	<p>Every year an estimated 200,000 people go missing in the UK. In some cases, missing adults may have made a choice to leave and 'start their lives over again', but</p>

<p>who go missing)</p>	<p>the vast majority of missing people, children and adults, are vulnerable and need protection and support. The strategy has three key objectives which provide the right foundations for any effective local strategy to tackle this issue: Prevention - reducing the number of people who go missing, including through prevention strategies, education work and early intervention in cases where children and adults repeatedly go missing Protection - reducing the harm to those who go missing, including through a tailored, risk-based response and ensuring agencies work together to find and close cases as quickly as possible at a local and national level Provision - providing support and advice to missing persons and families by referring them to agencies promptly and ensuring they understand how and where to access help. The police should be informed if any child or adult goes missing. The Missing Children and Adults strategy can then be referred to for further information and help. It is a home office publication (2011).</p> <p>https://www.gov.uk/government/publications/missing-children-and-adults-strategy</p> <p>https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/117793/missing-persons-strategy.pdf</p>
<p>Children with family members in prison</p>	<p>Approximately 200,000 children have a parent sent to prison each year. These children are at risk of poor outcomes including poverty, stigma, isolation and poor mental health. NICCO (www.nicco.org.uk) provides information to support professionals working with offenders and their children to help mitigate the negative consequences for these children.</p> <p>https://www.solgrid.org.uk/education/safeguarding/child-protection/issues/children-family-prison/</p>
<p>Children and the court system</p>	<p>Children are sometimes required to give evidence in courts, either for crimes committed against them or for crimes they have witnessed. There are two guides to support these children which can be found at http://www.worcestershire.gov.uk/ (young witness booklet for 5 to 11 year olds) which is a pdf. There is also a document called “going to court and being a witness age 12 to 17” which is also found at http://www.worcestershire.gov.uk/ Making family</p>

	<p>arrangements via court can be stressful and entrench conflict in families. The ministry of Justice has just launched an online dispute resolution service. This can be useful to parents and carers. Got to http://www.worcestershire.gov.uk/ and search for “get help with arrangements.”</p>
